

Sydney Rd street party mobility map

- ★ Accessible kerb ramps across the side street indicated and onto Sydney Rd with Tactile Ground Indicators
- ▶ Accessible kerb ramps that only allow access across the indicated side street but not onto Sydney Rd
- Public toilet block including accessible toilets

Please note there are some driveways onto Sydney Rd that are not deemed fully accessible as they have a lip and are not fully level, but may be useful for some mobility device users. There are 9 on the east side and 4 on the west side of Sydney Rd in the street party site.
